

SPECIFICATIONS

BID FOR: HOT ROLLED MILD STEEL ANGLES, RODS, BARS, STRIPS,
SQUARES, DIAMOND PLATE, TUBING, COLD ROLLED AND
ABRASIVE RESISTANT STEEL

Rods, bars, squares and strips shall conform with A.I.S.I. C1015 or equal.

Angles and strips shall conform with ASTM A7 or equal.

Diamond plate should conform to a type as manufactured by Allan Wood or approved equal.

Concrete reinforcing bars shall conform to ASTM A305-50T or equal.

All items specified shall be delivered cut to size, all lengths are to be held in a tolerance of +1/16".

Pickup and delivery to be included in all pricing. Vendors charging pickup or delivery fees may cause bid award to be rescinded.

There are many times when only one (1) piece may be ordered. Vendor must deliver within 24 hours. Failure to do so may cause bid award to be rescinded.
