CATERPILLAR COMPONENTS PARTS CATALOG AND LABOR FOR REPAIRS

Prior contracts for specific items, if presently in effect with the Town, will take precedence if duplicated in these catalogs.

All parts to be Original Equipment Manufacturer, or equal

Bidder to indicate his PERCENT DISCOUNT from, or PERCENT ADDED to manufacturer's current price list.

Vendors bidding on other than specified price lists must first convert part numbers to specified part numbers and base their bid on specified price lists only.

Bidder to include, with his bid, one (1) catalog for each manufacturer and current manufacturers's price sheets for all items.

The successful bidder will be required to furnish a minimum of five (5) catalogs for each manufacturer for distribution to various departments by Purchasing.

Price changes will be implemented as per manufacturer's increases or decreases. The successful vendor is responsible to submit the required number of updated replacement price lists.

The successful bidder must provide the Town of Babylon with proof of insurance as per the enclosed requirements, including Products Liability, naming the Town as additional insured.

THIS BID DOES NOT PRECLUDE THE TOWN FROM SOLICITING A SEPARATE, ADDITIONAL BID FOR LABOR ON SAID EQUIPMENT IF THE LETTING OF SAID BID WOULD BE IN THE BEST INTEREST OF THE TOWN.
