# A Message from Supervisor Schaffer

Dear Residents,  
Following an eventful winter, it is with great pride that I am able to announce the wonderful things in store for the warm summer months ahead through our Parks & Recreation Department. Inside this

guide you will find all of the details about our upcoming events and programs for the summer of 2016. Whether you like to stay active or just relax in the sunshine at one of our beaches, our Town offers something for everyone.

We here at the Town of Babylon are extremely proud of our parks and beaches, which are among the best on Long Island. Be sure to take advantage of all that our facilities have to offer by acquiring a recreation permit for you and your family. Permits are available starting May 11<sup>th</sup> at 10:00 am at Phelps Lane. See Page 29 for more information or call (631) 893-2100. See you around town,

A handwritten signature in black ink that reads "Rich".

Rich Schaffer  
Babylon Town Supervisor

## Tony Martinez Reports

Friends and Neighbors,

With the warm summer months approaching us, I hope you're as excited as I am! There are many great things happening at our parks in the upcoming months, including our popular

free summer concerts and our annual Beach Blast celebration in August.

In addition to the exciting summer events we have planned, the Town of Babylon continues to invest in our parks. Over the past year, we have installed two new state-of-the-art playgrounds with safety

surfacing at Birchwood and Geiger Parks. We have also installed a second synthetic turf baseball field at Phelps Lane Park, and the Town has a third one slated for this year. In the upcoming year, we will continue investing in more projects that make our Town the great community that it is.

I hope you enjoy reading through this guide and be sure to take advantage of all that we have planned. There's something fun for everyone!

Sincerely,

A handwritten signature in black ink that reads "Tony".

Tony Martinez  
Babylon Town Deputy Supervisor

## Yoga

### Yoga on the Beach

Yogawithgene.com and the Town of Babylon are thrilled to announce the 4th Year of Yoga On the Beach at Cedar Beach! Yoga is a challenging, effective and safe workout that will transform the way your body looks, feels, and performs! The Town will hold 75 minute long classes taught by Dharma Yoga certified instructor Eugene Steven during the summer at Cedar Beach. Classes will be offered on Monday evenings (Dharma 1) and Saturday mornings (Dharma Gentle). Whether you are a beginner or advanced, you can benefit from either or both classes. Dharma 1 is a series of postures designed to build strength and flexibility, whereas Dharma Gentle is a restorative approach focusing on control and relaxation. Both men and women are welcome. We recommend wearing layers and bringing a yoga mat, towel or sheet, water, sunscreen, and a hat. Classes held rain or shine. There are no refunds.

## TOWN OF BABYLON REFUND POLICY

Please be advised that **NO REFUNDS** will be issued for any recreation programs. Therefore, we encourage you to double check your calendar before signing up for any programs. We will only issue full refunds, if prior to the start of the program, a medical emergency prohibits an individual from taking part in the program. Please be advised that we will need to receive written confirmation from a physician that the individual is incapable of participating in the program. We thank you and hope you are able to enjoy the many programs and events the Town of Babylon Department of Parks, Recreation & Cultural Affairs has to offer.

## Dance

### “Latin Fridays with Rico”

In this eight week program you will learn how to Salsa, Merengue, Cumbia and Bachata. This course teaches all the important fundamentals like timing, Cuban motion, styling and the latest moves. Whether you are a beginner or advanced, you don't have to be Latin to enjoy these fun-filled classes.

**Eligibility:** Ages 16 and older.

Proof of age is required at time of registration.

**Fee:** \$60 per person

**Dates:** Fridays, September 16 - November 4

**Time:** 7:30 pm - 9:00 pm

**Location:** Phelps Lane Park, North Babylon Pool Building, 2nd floor

## Filmmaking Fun

Our program will start by demonstrating how motion pictures and television are illusions that create the idea of motion. The children will then work hands-on producing animations on 35mm film and create tracings of animation cells on light boxes. At the end of the class, their films will be shown on a movie screen. We will explain the difference between line animation and stop-motion animation. The children will then produce their own stop-motion animation using pose-able figures. At the end of the class, their stop-motion animation will be shown on the movie screen. The students will then produce another stop-motion film using pose-able dinosaurs on a movie-set. At the end of the class, the students will see their final stop-motion animation on a movie screen. The class will also be producing live green screen effects, where the students can see themselves inside a major motion picture film. Children will see themselves in a scene of the Harry Potter film. They will also be dressed in costume and use movie props, such as a flying broom. The students will also see themselves on a movie screen as they are riding a high-speed rollercoaster. We continue the green screen technology as the students see themselves inside the movie Jurassic Park. The children will be running from a T-Rex, hiding from Raptors, and feeding a Brontosaurus with a prop branch. We will discuss the animatronic effects used in movies, as we will present to the students our robot chimpanzee from our motion picture museum. Later, the students will create a stop-motion film using themselves as the special effects characters. They will then produce a movie special

effects film using the techniques of stop-freeze, which was depicted in the television series Bewitched.

## Bunger Surf Camp at Gilgo Beach

The Bungler Surf Camp at Gilgo Beach is an exciting and fulfilling way to learn all the fundamentals needed to start surfing. We have a team of dedicated and experienced instructors that will have you surfing after just the first day. We will focus on the basics of learning how to surf, such as paddling, catching waves, standing up, and riding waves. Bungler Surf Camp is also great for those looking to brush up their skills or to help take their surfing to the next level.

Our instructors are all experienced surfers who will also help give you a better understanding of ocean safety, tides and rip currents. Bungler Surf Shop provides all equipment or you can bring your own if you have it. Participants in the 3 Day Camp will receive a "goodie" bag and t-shirt upon the completion of the camp.

**Note: Participants will either need a Resident Recreation Permit or pay a daily entrance fee to enter Gilgo Beach.**

**New York State Access Pass (Disability Pass)**

The Town of Babylon Beaches are accepting the New York State Access Pass for vehicle admittance only into the Town Beaches in lieu of a Recreation Beach Pass purchased through the Town. This courtesy will enable a Town resident access to Overlook Beach, Cedar Beach, Gilgo Beach, Cedar Marina, Venetian Shores and Tanner Park parking lots. The New York State Access Pass is a N.Y. State Park disability pass. You must present your NYS individual access pass along with your NYS Drivers License and Car Registration showing you are a Town of Babylon resident to gain access to Town facilities.

To qualify for an Individual Access Pass, an applicant must be a resident of New York State, must provide proof of disability, in the form of certification from the appropriate agency or by a physician, as described on the application and must provide a recent photo that will be affixed to the Access Pass.

For more information on how to obtain a NYS Access Pass or to find out if you are eligible, please contact NYS Parks at 631-669-1000 or [www.nysparks.com](http://www.nysparks.com).
